The Michigan Site Identification Form (Revised 3/2021) must be submitted for certain facilities regulated under Part 111, Hazardous Waste Management or Part 121, Liquid Industrial By-Products (formerly Liquid Industrial Waste) of Michigan's Natural Resources and Environmental Protection Act, 1994 PA 451 (Act 451), as amended, and Subtitle C of the Federal Resource Conservation and Recovery Act, RCRA), and the rules there under, to obtain a Site Identification Number (initial notification). Emergency Site Identification Numbers: An Emergency Site Identification Number is assigned to any situation where there is an unexpected incident and the cleanup waste can not be accumulated on site because that would further threaten human health and the environment. A Reasons why the waste can not be accumulated on site vary greatly but common reasons are there isn't any room to accumulate the waste (e.g., on the side of the road with minimal shoulder), the waste is too dangerous to be left (e.g., flammable and it is a hot and humid summer day), or there are other hazards in the area that means the waste could not be protected. A When issued, the emergency Site A Identification Number is valid until the immediate threat has been addressed and is provisional upon payment of the requisite \$50 user charge. A The numbers are site specific and cannot be transferred between locations. A Any long term clean up requires the generator to file a Site Identification Form (EQP5150). A To obtain an Emergency Site Identification Number during normal business hours contact EGLE and ask for the A Hazardous Waste Management and Tracking Unit at 517-284-6546. A During evenings, weekends, and holidays contact the Pollution Emergency Alerting System (PEAS) at 800-292-4706. A You will receive a copy of EQP5126 generated from the information received over the about your emergency cleaning site. You are obliged to fill all the additional information that is missing, such as the number of federal identification. Once you have completed the form, write a check to pay the "Michigan State" worth \$ 50.00 to pay for the number of identification and send the check form For: EGLE FINANCIAL GESTRANCE COLLECTION PO Box 30657 Lansing, Mi 48909 Revenue Control Unit to help ensure the appropriate cront, please indicate in the "ID user Charge site" verification.
